

## **REMARKS**

Reconsideration of the above-identified application in view of the preceding amendments and the following remarks is respectfully requested.

Claims 11 and 13-16 are presently pending in this application. Claims 1-10, 12 and 17-20 have been canceled without prejudice in an effort to expedite prosecution of allowable subject matter. Applicant reserves the right to prosecute the canceled subject matter in a copending application.

## **DETAILED ACTION**

### **Allowable Subject Matter**

In the Office Action, at page 7, the Examiner indicated that dependent Claim 13 would be allowable if rewritten in independent form to include the limitations of its base claim and any intervening claims.

In this regard, Claim 13 has been rewritten in independent form to include the limitations of its base claims namely independent Claim 10, and intervening dependent Claim 12. Accordingly, it is respectfully submitted that amended independent Claim 13 and each of the claims now depending therefrom, namely Claims 11 and 14-16, are in condition for allowance.

### **The Specification**

The disclosure was objected to because of certain informalities. Appropriate corrections have been made to the specification.

Claim 11 has been amended to depend from amended Claim 13, which was objected to as being dependant upon a rejected base claim and has been placed in condition for allowance. Withdrawal of this rejection is therefore respectfully requested.

Claim 12 was rejected under 35 U.S.C. §103(a) over McGahan. Claim 12 has been canceled without prejudice, thus obviating this rejection. Withdrawal of this rejection is therefore respectfully requested.
